Red Flag Campaign is a depiction of flying the F-15C Eagle during a typical Red Flag exercise in Nevada. This campaign includes extensive briefing, map, and lineup card PDF files for each mission in consultation with the renowned author Steve Davies, the authority on the F-15C.

Missions are based on input from real F-15C pilots that have flown in Red Flag exercises and will provide a challenge that will test even the most skilled virtual pilots.

Campaign requires ownership of either DCS: Flaming Cliffs 3 or F-15C for DCS World, along with the DCS: Training Range map. For those that pre-purchased the Nevada map and elected to receive it for free, you will now be able to activate this campaign from the DCS World 2.0 Module Manager.

6. Choose the payment method which you want to use. It's very important.

The screenshot shows a payment selection interface. On the left, the logo for 'THE FIGHTER COLLECTION' is displayed, featuring a stylized warrior's head. Below the logo, the text reads 'The Fighter Collection', 'Order description: Invoice 300032 (17-02-2016 00:54:14)', and 'To pay 9.99 USD'. The main area is titled 'How do you want to pay?' and lists several payment options, each with a right-pointing arrow: 'Pay with PayPal' (with the PayPal logo and tagline 'Faster. Safer. Easier.'), 'VISA Visa', 'VISA Visa Debit', 'VISA Visa Electron', 'MasterCard MasterCard', 'Debit MasterCard', and 'American Express'. A red rectangular box highlights the 'Pay with PayPal' option and the first five card options. Below the list is a '< Cancel' button. A small link 'What is PayPal? Create a PayPal account here' is visible between the PayPal and VISA options.
