

# Day 0 - Welcome to Nellis!

## BACKGROUND

Your unit is tasked to move from NAS Fallon to Nellis AFB for some days of training before Red Flag Exercise 00-2.

With the help of the 57th Tactical Training Wing you will train for both air-to-air and air-to-ground capabilities in the perfect training environment provided by the Red Flag organization.

## BRIEFING

Now you are around 60nm from Nellis AFB , escorting E3 AWACS Magic 1-1.

Magic 1-1 is tasked to land before you, make sure to orbit WP1 ( APEX ) until he has touched the ground.

You will be tasked to land on runway 21L , make sure to read all the documentation about the Custom ATC provided with this missions.

Once landed an Airport Ground vehicle will escort you to the assigned parking F135.
