ADDITIONAL INTELLIGENCE – ‘JUBA’ SNIPER

WANTED

CONFIRMED INTELLIGENCE

Capture or Kill Order
Authorization to Capture or
Kill Juba

‘JUBA’ is the name used by a mysterious sniper or sniper(s) who targeted coalition personnel throughout Iraq in Operation Iraqi Freedom.

- US Intelligence believes Juba is actually made up of 2-4 snipers from Chechnya, and two of them are possibly brothers.
- US Intelligence reported Juba was killed in an airstrike in the city of Fallujah in 2005.
- Recent propaganda videos purportedly showing Juba killing Coalition Forces have been distributed online. The videos show Juba killing Coalition Forces inside the Georgian AOR. Voice match has confirmed the voice in recent videos is a match to previous videos produced inside Iraq.
- Within the last 60 days; Coalition Forces have taken 24 casualties from sniper fire in the Georgian AOR. 15 of the casualties have been recorded and distributed via social media.
- Intelligence suggest Juba will be operating in the Kutaisi AO within the next 12 hours.
- Additional security measures have been initiated in and around the Kutaisi AO.
- Whiplash-1 will authorize any force necessary to eliminate Juba if actionable intelligence is received on his / their locations within the AOR.
