

Official paintschemes for the C-101EB Aviojet for DCS

This is a summary of all the liveries (= paintschemes) that are officially distributed as part of Aviodev's C-101EB Aviojet for DCS World. On each, there is the aircraft designation, the countries for which it is available, and the name of the livery itself. Tail numbers will sometimes change, according to the tail number entered via the Mission Editor option.
