Quick install: Unzip the folders in the zip file to either:

1) C:\Users*Your-Username*\Saved Games*DCS.Your-DCS-Folder*\Liveries\F-16C_50

Or

2) C:\Program Files\Eagle Dynamics*Your-DCS-Folder*\CoreMods\aircraft\F-16C\Liveries\F-16C_50

Description:

The 115th Fighter Wing is based at Truax Field, Dane County Regional Airport, in Madison, Wisconsin, USA. The 176th Fighter Squadron is a unit of the 115th Fighter Wing, and flies the F-16C Fighting Falcon as part of the Wisconsin Air National Guard.

Air National Guard

115th Fighter Wing

176th Fighter Squadron

This pack contains **28 different liveries** seen on 176th Fighter Squadron F-16C's from 1993 to present.

The most colorful are the “Anniversary” schemes:

50th Anniversary

60th Anniversary

70th Anniversary

Three Badger tails are included:

The Badger Tail paint scheme

Three of the latest Have Glass V paint schemes:

Have Glass V

Several "Standard" paint schemes are available:

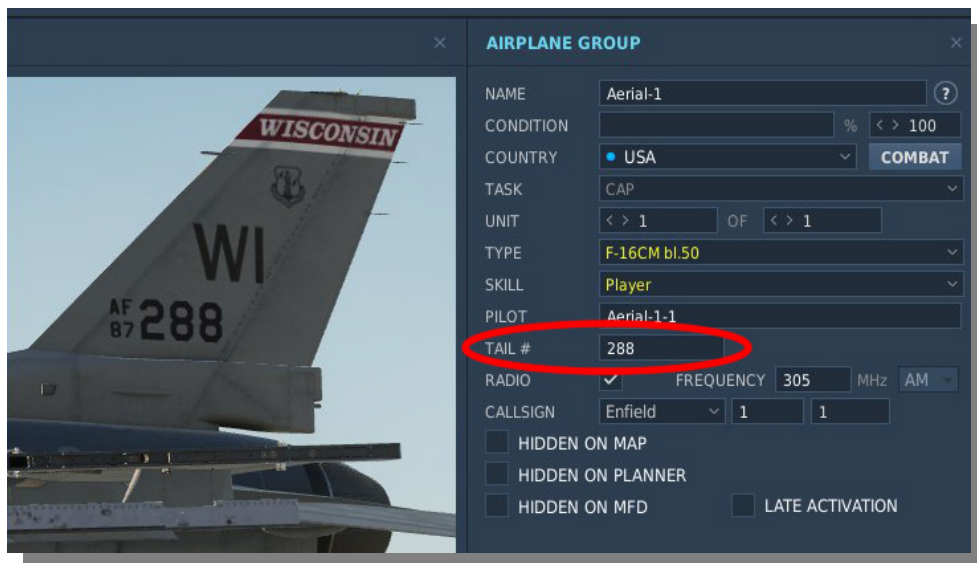

Early Standard scheme

The following aircraft serial numbers are usually dedicated to specific liveries:

<p>Serial 86-243 = 115th Fighter Wing</p> 	<p>Serial 87-278 = 115th Fighter Wing</p> 
<p>Serial 87-234 = 176th Fighter Squadron</p> 	<p>Serial 87-298 = 176th Fighter Squadron</p> 
<p>Serial 87-300 = 115th Operations Group</p> 	<p>Serial 87-278 = 128th Fighter Wing (1995 & Earlier)</p> 

In addition, the liveries with the word “Standard” in their name, can have their own separate tail numbers by entering the number into the “Tail #” box in the DCS Mission Editor.

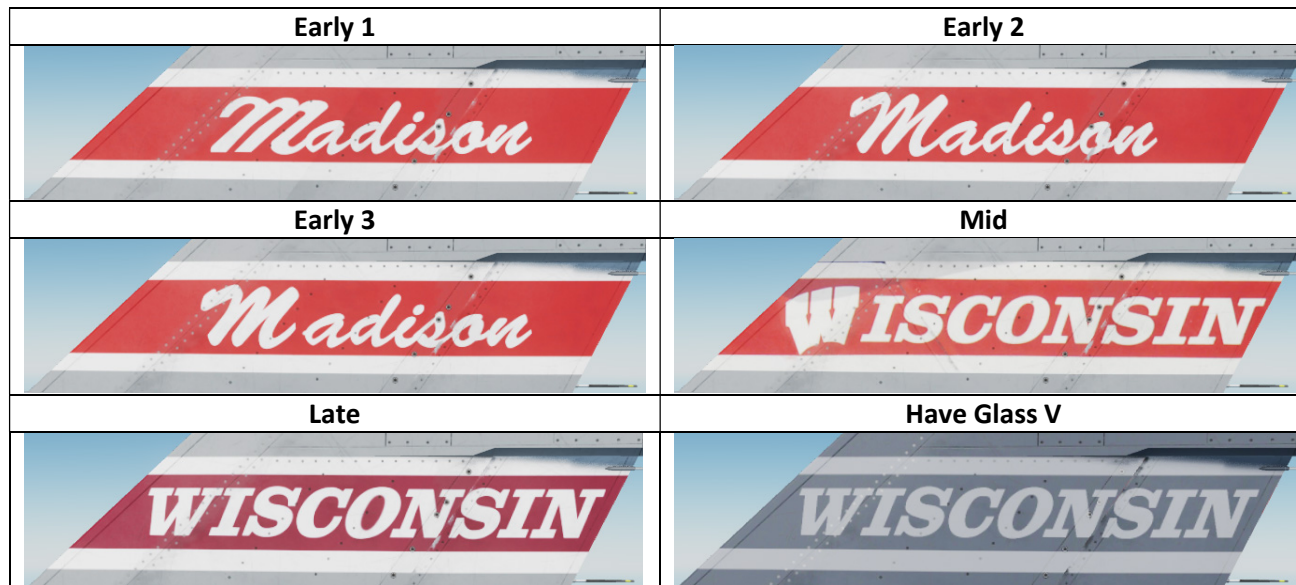

Type serial number in Tail # field

List of F-16C Tail serial numbers used by the 176th Fighter Squadron:
